

Resolutions to Adopt Safety and Resilience Addenda to *Moving Forward*

Program, Finance and Administration Committee

April 20, 2023

Relevant Federal Funding Programs

- Safe Streets and Roads For All (SS4A)
 - Discretionary funding to improve roadway safety by significantly reducing or eliminating roadway fatalities and serious injuries
 - A **Safety Action Plan** is the foundation of the SS4A grant program
 - IMPACT: applicants must have an Action Plan **or** an existing plan (or plans) that is (are) substantially similar . . .

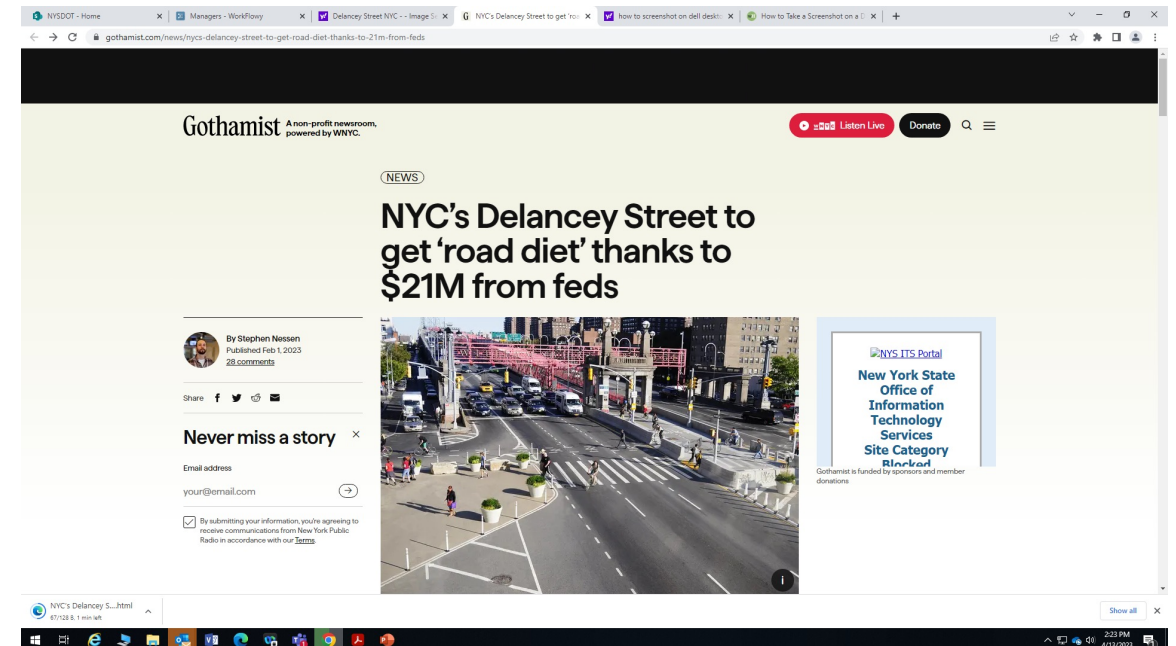

... in order to be able to apply for Implementation Grants

Assessment of Existing Plan(s)

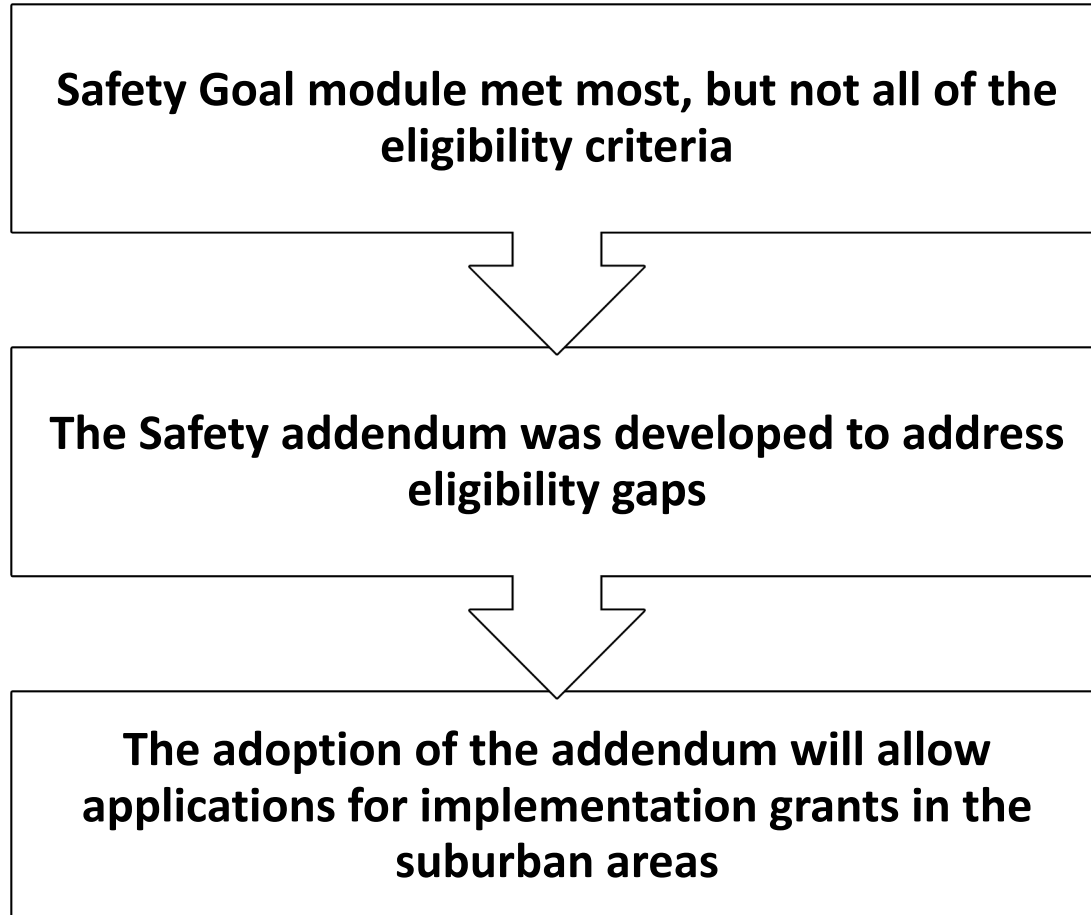

- Eligibility worksheet in SS4A Guidance to assess similarity to an Action Plan
- Existing NYMTC/NYMTC member plans that were assessed using the worksheet . . .
 - NYC Vision Zero Plan (assessed as substantially similar)
 - NYMTC *Moving Forward* Safety Goal Module
https://www.nymtc.org/movingforward/pdfs/chapter_04.pdf

- NYC Vision Zero Plan met the eligibility criteria
 - NYC applied for implementation grants in the FFY 2022 round and received one award

Relevant Federal Funding Programs

- Promoting Resilient Operations for Transformative, Efficient, and Cost-saving Transportation (PROTECT)
 - Discretionary *and* formula funding to improve surface transportation resilience to natural hazards
 - A **Resilience Improvement Plan** (RIP) *can* be developed for the immediate and long-range resilience planning activities and investments in order to . . .
 - . . . reduce the amount of the non-Federal share of the project costs

RIP Addendum

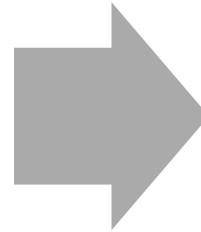

The RIP addendum was developed largely from the *Moving Forward* Resilience Goal module

The addendum enhances the module per PROTECT guidance

The adoption of the addendum will allow applications for PROTECT grants to take advantage of the reduced non-federal share
