Major Transportation Actions Scheduled for NYMTC Adoption During Its September 5 Council Meeting

** Open to the Public **

WHAT:

The New York Metropolitan Transportation Council (NYMTC) will recommend for adoption three transformative transportation action plans during a public NYMTC Council Meeting on **Friday, September 5 at 11:15 a.m.** Meeting details are available on the [NYMTC website](#) and include links to its agenda, resolutions, and the transportation action plans that will advance transportation in New York City, Long Island, and the Lower Hudson Valley in the years ahead.

These actions plans include:

- [NYMTC's draft Regional Transportation Plan, Moving Forward 2055](#). This plan improves access, safety, and efficiency across all modes of surface transportation from federal fiscal years (FFY) 2026 through 2055.
- [NYMTC's draft Transportation Improvement Program \(TIP\) for federal fiscal years 2026 - 2030](#). The TIP outlines federally funded transportation projects over a five-year period, including transit, roads, bridges, and other efforts. More than 900 transportation projects, studies, and research are included in the TIP amounting to over \$38 billion.
- [NYMTC's draft 2025 Congestion Management Process Status Report](#) which forecasts regional traffic congestion and outlines strategies to reduce it, utilizing demand management, system operation, multimodal investments, and more.

Public comment is welcome and encouraged. Those interested in speaking during the meeting must register with NYMTC by sending an email to NYMTC-PublicInfo@dot.ny.gov by 11 am on September 5.
