Central Staff  
PTCS04A00.01 Administration

Amendments:

Category: Administration

Assumptions: This project is a continuation of \_\_\_\_\_ in the second year of the 2002-2004 UPWP.

Project Description:

This activity supports functions related to development, liaison, management, and administration of the organization's plans and programs. It serves to ensure that staff is equipped with the tools necessary to carry out their duties. In addition, it helps staff members develop new skills and keep abreast of changing technologies in order to play a greater role in the organization and assume increased responsibilities.

Project Tasks:

- 1. Develop funding plans and staff plans.
- 2. Provide computer support, and office services.
- 3. Perform accounting, personnel, payroll, and other direct staff service functions.
- 4. Develop training programs for the NYMTC staff & staffs of the member agencies.

Project Deliverables:

- 1. Document NYMTC operations.
- 2. Prepare staffing and funding plans.
- 3. Obtain planning grants and close older grants.
- 4. Maintain NYMTC's eligibility for federal funding.
- 5. Training program implemented.

Start Date: 4/1/2004; Completion Date: 3/31/2005.

Project Manager: Alan Borenstein
