About NYMTC

NYMTC is the federally mandated council of governments that directs the use of billions of dollars in federal transportation funds for New York City, Long Island, and the Lower Hudson Valley.

As the area's Metropolitan Planning Organization (MPO), NYMTC provides a collaborative planning forum that addresses transportation-related issues and develops regional plans and goals through a shared vision for the region's transportation network.

NYMTC's Brown Bag Webinars Showcase Transportation Innovations in the Region

June Brown Bag Explores Implementation of Freight Microhubs in NYC

Freight microhubs are spaces where goods are transferred to smaller vehicles or human-operated modes for final delivery. Catherine Ponte, Senior Freight Planner at the NYC Department of Transportation, discussed the launch of a microhub pilot during the June Brown Bag and highlighted the pilot's potential benefits.
