Moving Forward Shared Goals Guide the Unified Planning Work Program (UPWP)

**Moving
Forward**

Your Region, Connected

SAFETY AND SECURITY

A transportation system that ensures the safety and security of people and goods across all uses and modes.

RELIABLE AND EASY TRAVEL

A transportation system that is maintained, operated, and coordinated to better enable inclusive, reliable, easy, accessible, and seamless travel across the region while striving to enhance equity in the services provided.

PLANNING FOR CHANGING DEMAND

A transportation system that efficiently serves today's population and plans for the growing number of residents, workers, and increasing amount of goods.

REDUCING ENVIRONMENTAL IMPACTS

A transportation system that minimizes its greenhouse gas emissions and other impacts on the environment, especially the effects of climate change.

RESILIENCY

A transportation system that is resilient and can mitigate, adapt to, and respond to chronic and acute stresses and disruptions.

The UPWP funds the **Core Program** which includes:

- Regional Transportation Plan
- Unified Planning Work Program
- Transportation Improvement Program
- Congestion Management Process
- Regional Emissions Analysis
